## VIRTUAL TEAM BUILD

HOW DOES IT WORK?

### SET UP AND REQUIREMENTS

Session is run live on Zoom. We provide a private Zoom room for the duration of the event. All technical elements including set up and running of the session are handled by us. The zoom client can be downloaded free of charge and is easy to set up and run on laptops, tablets and phones. We advise that delegates test their connection, camera and speaker set up before the session.

Sessions can be recorded and our editing team can produce a professionally edited promo video for you.

Client may use their own platform (ie. Microsoft Teams), in this event client will be responsible for the technical side.

### ACTIVITIES
